Description

Hanging wire kits for use with double sided snap frames

Individual suspended snap frames can be hung conveniently on wires. These kits make use of the screw-in hanging eye supplied with every double-sided snap frame. The hanging kits comprise a ceiling fixing, cable plus hook providing a practical height-adjustable solution.

- Kit A has a cylinder-shaped ceiling fixing that incorporates a cable clutch for easy adjustment. The supplied 2m cable (which can be cut down as required) has an integral mini hook. Price includes a PAIR of cables plus fittings.
- Kit E has a dome shape ceiling fixing plus a 2m long cable. A small hook is included which slides easily up the cable to adjust the height. The hook will not slide down the cable unless the button is pressed to release the cable clutch. Price includes a PAIR of cables plus fittings.

Other [hanging wire kits](#) are available to suit different situations, such as for suspended ceilings or for hanging frames from a beam.

<p>More Information</p>	<p>Buying 10 or more kits? Discounts are available, but you will have to order individual kits rather than as pairs. See: Kit A - Cylinder fitting with hook cable Or: Kit E - Dome hanging fitting with safety hook</p>
