### Stretch poster frame in A3

For a contemporary and cook look present your images and prints in this stretch poster frame. Our A3 stretch frames are cost-effective, easy to assemble, lightweight but strong, and perfect for suspending from walls, ceilings, and as window displays.

Standard paper size A3 size posters printed on a range of materials can be displayed elegantly and with ease in either landscape or portrait. Stretch Frames look great in hairdressers, beauty salons or anywhere a delicate frame is needed to make your poster displays seem to float in the air. They also look great at home – for example, to display kids artwork or your special photos.

- Stretch frames are suitable for standard weight paper posters and similar light-weight display materials such as printed fabrics.
- Frames are made from strong yet slender aluminium tubes with push-fit plastic corners fitted with spring-loaded poster grabbers made from tough transparent plastic.
- Quick to assemble and re-usable, Stretch Frames can be suspended using nylon filament, light-gauge wire or [Jet Set wires](#).
- These hanging poster frames can also be wall hung onto small screw-heads or tacks. Click on Large View to see the suspension eye which incorporates a keyhole slot as well as a suspension hole.

Additional Information

More Information	A lightweight frame that stretches the poster from 4 corners. The poster can easily be changed with the help of plastic clips.									
Product Dimensions	<p>Stretch frames are sized to fit standard paper sizes such as A3 size. When assembled the frame itself is larger than the corresponding poster size to create a surround where the tension springs are fitted in each corner.
