Description

Economic floor sign stand with angled snap frame A4 & A3

Presenta Eco is a smart low-cost sign display stand featuring an angled poster frame - either A4 or A3 size. This silver floor sign stand is perfect where an angled poster frame is required, mounted on an easy-to-use portable sign stand. Display any printed message such as 'Please wait here', 'Queue this way', 'One way system' or other information signs.

- Tremendous value from this well made sign display stand. Compact to transport and quick to assemble.
- A4 or A3 poster frame adjustable for portrait or landscape display. Simply slacken the wing nut on the back of the frame and swivel.
- The poster frame is mounted at an angle for easy reading e.g. at waist height and convenient for seated wheelchair users.
- Snap frame design makes it easy to insert and update your sign or menu printed on ordinary paper or thin card. Poster cover sheet is included. Rounded chrome corners offer safety in use and attractive detailing.
- Both A4 and A3 models share the same base - for extra height or increased stability at A3 size consider the alternative [Presenta Deco](#) - a similar sign stand with a higher specification.
- Presenta Eco nett weight - A4: 3.0kg A3: 3.3kg
Base size - A4 and A3: 330 x 250mm
Height Port/Land - A4: 1000/950mm A3: 1050/1000mm

Presenta Eco floor display stands A4 & A3 - Black painted finish

- We also offer the same type of angled menu stand with a durable black finish - [Presenta Eco Black](#) menu stands A3 & A4.
- For the higher spec, Presenta Deco menu stands in black - [Presenta Deco Black](#) A3 and A4 menu stand.

| <p>More Information</p> | <h3>Applications for Presenta Eco sign stands</h3> <p>The cover sheet protects your paper insert from dust and finger marks but it does not provide water-proofing. This sign stand is intended for indoor use. The A4 model could be used outdoors on dry days, making a convenient portable sign holder. The A3 model is not recommended for outdoor use on windy days as the base is too small to offer adequate stability. We suggest the alternative Presenta Deco - the A3 model is slightly taller and comes with a larger and heavier base reducing the risk of toppling over.</p> <p>We also offer adjustable height and adjustable angle floor stand called Presenta Flexi - it is a premium model for maximum versatility.</p> <h3>Product and exhibition signage stands</h3> <p>Whilst the Presenta Eco's are great for menu stands they also double as valuable product information stands for use on exhibition trade show stands. If you have a large product and you need to display some information this compact stand does the job nicely. Just as much at home on a boat show stand as in a car showroom the sign stands are easily moved around for when you just need a sign in a hurry.</p> |
