Description

Totally adjustable Presenta Flexi makes a very smart floor sign stand

This adjustable poster stand or information display sign stand displays your own printed message simply and professionally. This adjustable pedestal poster stand or extendable angled menu display stand is available in A4 and A3 size.

This versatile angled poster stand is based on a clever design. The Presenta Flexi is adjustable in **height**, the frame **angle** can be adjusted. Even the frame **orientation** can be changed from portrait to landscape - quickly and easily for maximum flexibility.

- To set the height a small clamping lever is released. The upper leg slides in and out of the lower leg - ideal when you need a sign stand at a specific height. Max. Ht. is 1250 mm.
- The frame angle is also adjustable all the way from vertical to horizontal. Simply undo and re-tighten a locking device behind the frame.
- The A3 or A4 snap poster frame can also be set to either landscape and portrait - and changed back just as easily: all without tools. Simply flip open the sides to insert your printout in the frame behind the supplied plastic cover sheet.

Colour: Silver

Flexible Menu Board Applications

The Presenta Flexi is ideal for displaying menus at the door of a restaurant, product details in a car showroom or direction notices at a meeting or exhibition venue - it's totally flexible! There is also an illuminated version of this product available - see [illuminated menuboard Lumi Flexi](#).

The base is weighted with a metal inlay plate and the unit is perfectly stable indoors. The unit is not intended for permanent outdoor use but short term outdoor use in suitable weather conditions is no problem. The display stand is very portable.

The snap frame is intended for easy change over of paper graphics, either A3 (pictured) or A4 size. The snap frame offers protection to printed menus and printed signs with the supplied poster cover sheet - but the frame is not watertight so paper inserts could get spoiled outdoors in wet conditions. The stand won't suffer but you may need to replace the printout.

More Information

Delivery and Returns

- We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.
- Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem.
