BOARD OR POSTER

## Description

---

### Black poster holder display stand

This smart black posterboard stand suits either rigid foamboard panels or printed posters.

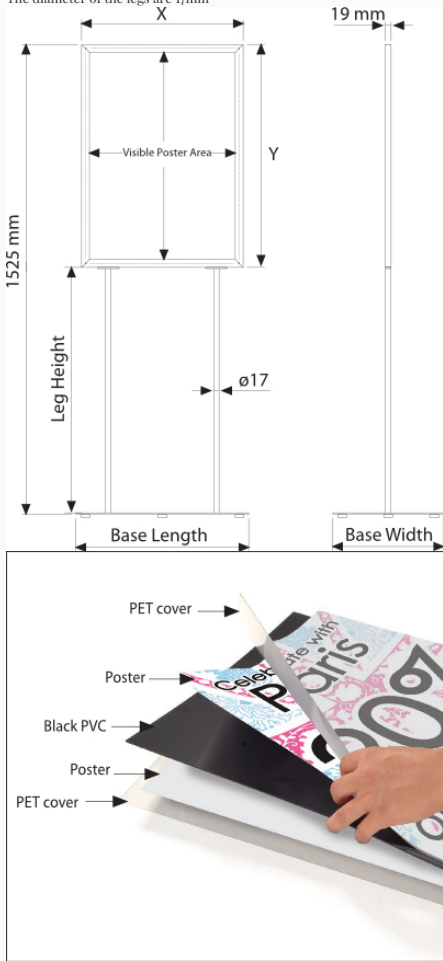

For smart and eye-catching displays, this black poster holder display stand is an excellent choice. With a top-loading black poster frame, this poster holder is easy to use, stable and secure.

- Flat oval metal base with twin legs provides great stability (indoors)
- Posters or display boards are easily slotted in from the top
- Includes poster cover sheets and an opaque divider for double-sided displays
- Includes rigid backing board to prevent show-through of back-to-back printed posters. Discard when using foamex panels.
- Available in A2 or A1 size
- Contemporary smart black finish - classic silver finish also available
- Easy assembly

The InfoStand poster holder stand is a real eye-catcher and is great value - the ease with which you can change your posters or display boards means you will use your stand time after time.

Use for promoting special offers, highlighting sales deals or to provide essential information.

Note: landscape option is not available - the A1 and A2 top-loading frames are intended for portrait posters and printed display boards.
