Description

Full size wood easel with choice of finish

Floor standing easels are manufactured from beechwood and can be used for many display purposes. Folding display easel stows away neatly when not in use - portable, can be moved easily. These are full size wooden easels supplied assembled - we recommend these large easels for floor standing display in shops, hotel foyers etc. The easel stands 5 ft tall - over 6 ft with a suitable display board.

- Choose from natural wood finish (which can be left plain or decorated with paint/stain) or a trendy black stained* finish.
- Adequately robust for use as an indoor display easel - may not meet the needs of a professional artist looking for a very rigid easel.
- The lower support rail is adjustable in height depending on the size of advertising board or artwork to be displayed. A lip is provided to prevent display boards slipping off the support shelf.
- Display boards, notice boards or framed artwork can be placed on the easel floor stand either portrait or landscape.
- Ideal for displays around A1 size but can be used for lightweight rigid panels up to A0 size (approx 120cm high x 85cm wide).
- Easels can be used for displaying seating plans at banquets or weddings
- Display easels are popular for seasonal promotions in shops, clothing departments, food halls and department stores

Please note that these are natural wooden products and that slight colour variations will occur.

* The black stain does not give a solid black finish - it's more like a charcoal colour.

Our display easels suit many sizes of display board

More Information

We suggest 1m wide and 1.2m high is about the maximum for visual appeal and stability but it depends on the thickness and density of display board being used. Display panels, notice boards or artwork can be mounted on the easel stand either portrait or landscape. We offer combination products comprising an easel bundled with an A1 snap poster frame or a 90cm by 60cm wood framed blackboard. Please view links under Related Products below. The black stain does not deliver a dense black - in certain lights it can display a dark brown hue.

Choice of easel

- EASEL.Z2 - Floor standing display easel | Retail display easel in natural wood finish | Fully adjustable | Supplied assembled
- EASEL.Z2-B - Black floor standing easel | Display Easel in black stain finish | Fully Assembled wooden easel

Assembly and Installation

Easel is supplied assembled - shelf can go either way up

- Our wooden easels are supplied pre-assembled. Only the adjustable shelf needs to be fitted by tightening a pair of wing nuts.
- The support shelf can be fitted either way up. One way offers a wider shelf without a lip. The other way provides a narrower ledge with a lip to help ensure the board does not slip off if knocked.
- The easel has a hinged back leg which folds out and has a wing nut you tighten to hold it open at the desired angle.

Delivery and Returns

- We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.
- Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem.
