Description

Curved free-standing iPad and tablet holder

With a tall, elegant and stable design, this free standing tablet floor stand is suitable for use at trade shows, doctors surgeries, conference venues etc. The lockable box can be rotated for landscape or portrait display, and this stand includes a universal fitting kit for most 9.7" - 10.1" tablets including popular Apple iPads and Samsung Galaxy Tab models.

The overall height is 1181mm (approx 118cm/47in).

- Free standing — simple assembly (tools provided) means you can get started straight away.
- The secure key lockable box prevents tampering and/or theft of the device.
- Rotatable to display in landscape or portrait positions.
- Lightweight at 5kg makes it easy to transport, yet heavy enough to be stable.
- To prevent unintended access to applications the case covers to the 'home' key. The tablet's loudspeaker and volume control are not restricted.
- USB charging cables (not included) can travel inside, through the pole for a tidier look.
- The stylish curved leg is finished in a black painted aluminium plus durable components.
- Intended for indoor use.

Will it fit my iPad Tablet?

This stand is designed to fit most 7.9" to 10.1" tablets and iPads

iPad 1,2,3,4 and Air models will fit and are secure in the lockable case.

Please note this stand is not suitable for iPad Pro versions.

How do I keep my tablet charged up?

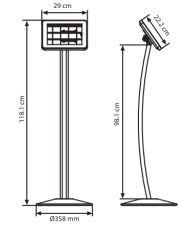

This universal tablet stand lets you feed your charging cable (not supplied) up through the middle of the pole and exiting just above the base where you can plug it into your charging adaptor. Please be careful when positioning your stand so people do not trip over your charging lead.

Product Dimensions

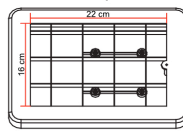

More information

- Circular base (600mm diameter (23 5/8" dia)) makes for a stable iPad holder floor stand.
- Assembly of this stand involves attaching the base to the leg and fitting the iPad into the specially designed tablet holder. Assembly takes just a few minutes, tools are included.
