Description

iPad display stand combined with a large poster frame

iPad display stand combined with a large poster frame, draws attention to your iPad display and is ideal for exhibition use. Your iPad is held securely at a convenient angle beneath the poster frame.

Versatile tablet kiosk floor stand

Tablet display holder is conveniently angled for ease of access below a snap frame for you to display a promotional poster. It is compatible with a range of popular tablet models including Apple iPad and Samsung Galaxy. The imposing floor stand is perfect for use as a free-standing tablet kiosk for visitor registration, self check-in and digital information display.

This large floor standing column display system with iPad holder and snap poster frame is assembled with supplied allen key and a screwdriver.

- Available with A1 or A2 poster snap frame.
- Tablet holder capsule suits a wide range of iPad and Samsung Galaxy models. See More Information Tab.
- Tall column 1.9 m high with stable weighted metal base.
- iPad holder has a hinge-open lockable front bezel to insert your tablet. This black metal iPad holder cassette is secured with a lock and key.
- Stylish digital information stand, silver finish complements any foyer, reception or retail environment.
- iPad holder capsule is black. It can be adjusted to suit landscape or portrait presentation.
