- The frames include two clear plastic poster covers for keeping your signs clean

Rounded corners
for safety

Description

Black A-board with snap action poster holders

Black A1 pavement boards are double-sided, to display your message on each side. Black A-boards attract attention on any street or precinct and can also be used indoors. This pavement sign folds away and can be carried by the average adult for safe storage while premises are closed.

Features of the A-board pavement sign

This black A-board poster holder is a stylish and contemporary looking A-board pavement sign. Made from high-quality materials, the frame is rust-free, durable and as easy to use as you would expect from the classic A-frame design.

A1 is a popular size for high street advertising signs featuring back-to-back display of two posters each 2ft wide by nearly 3ft high - not too big to obstruct the pavement but large enough to deliver your message with good visual impact. These attractive pavement boards stand waist-high.

- Our snap poster frames are perfect for your own permanent AND changeable printed signs, posters and messages - ask your printer for waterproof prints for longer-term display
- Using galvanised steel back panels, our a-boards have added weight to resist moderate winds. The A1 A-board is a total of 8.5 Kg.
- Our black A-boards have rounded corners, clear poster cover sheets, robust hinges and a pair of locking stays - everything is designed with ease and longevity in mind
