Triangular acrylic print holders - sometimes known as Toblerone menu holders - are perfect for table-top use in cafes, bars and restaurants.

- They can be viewed from each side simultaneously.
- The 1/3A4 size allows a single A4 sheet of paper (correctly formatted in 3 sections) to be inserted so that the relevant message appears on each side. This can be the same copy or three panels each showing different text or images.
- With so many cheap versions around we only stock the best quality.

- Our best selling multi-sided print holder is now on sale.
