Description

Mini upright or slanted plastic price ticket holder – small discreet base

Mini card clips are for small cards or price tickets around 100mm (4") square. Angled and vertical versions are available. Being a smaller footprint they are ideal where space is limited such as a cake counter.

- Both versions of the clip are 40mm wide.
- They suit thin or medium weight card or laminated paper up to 500 micron (0.5mm) thick.
- Price is for a Bag of 10 clips.
- Use with black A7 chalkcard inserts and liquid chalk pens for great results.

Choose the slanted or upright clip depending on your application. They are also popular for price marking of china and giftware. If using with food the clips can be washed with warm water, this item should not be washed in a dishwasher.
