### Snap action clip on poster board holders

Looking for a base to hold a poster board or other rigid panel upright to stand it on a table? The snapper base could be your answer, available in several sizes to hold display boards from A6 up to A3 size.

**Snap clip-on bases for rigid panels** are classy modern curved metal bases. They are ideal for holding custom made printed panels or rigid sign boards up to 6mm (1/4 in) thick to display your signs, notices and menu systems on table tops.

- The curved-shape base is made from silver anodised aluminium and very stable.
- An ingenious spring action built into the base allows a rigid panel to be inserted and held firmly.
- A number of size widths are available - 105mm (4in), 148mm (6in), 210mm (8in) and 297mm (12in).
- Can be used singly or in pairs to support larger signs.
- Easy to use - recycleable at end of life.

## Additional Information

---

More Information	<p>The sign will be stable provided the board is not too tall. Board heights up to 300mm (12 in) are normally perfectly stable when used indoors. For taller panels we suggest you evaluate on a trial basis.</p> <p>Snapper Bases can be branded with a logo for a minimum quantity of 500 pieces. The cost will depend on the number of colours used. For smaller quantities you may find it convenient to brand the base yourself using an applied sticker.</p>
