Description

Chalkboard with Easel stand for tabletop

This tabletop easel comes complete with its own removable chalkboard so you can produce your own handwritten signs using chalk pens. Ideally suited for restaurants, the chalkboard with stand can be used to display daily specials or as a dessert board.

- **Small blackboard and easel** stand for table top comes with an A4 size (30 x 21 cm) chalkboard. The overall

height of the chalkboard with stand is 43 cm. The tabletop easel with A4 chalkboard is perfect as a café menu board and many other uses.

- **Medium tabletop blackboard and easel** combo, ideal for use on counters and bars, is supplied with a 40 x 30 cm blackboard, approximately A3 size. The chalkboard is removable making for easier writing with wet wipe chalk pens when laid flat on a table to prevent ink running. The overall height of the easel is 50 cm.
- The A4 blackboard is made of rigid board faced with a wipe-clean chalkboard surface. The A3 blackboard is made of rigid black plastic. Both sides can be used for hand written menus and messages. When liquid chalk or wet-wipe chalk pens are used the writing can be erased with a damp cloth.
- For more permanent writing (for example headings which need not be erased/updated) we recommend waterproof Securit pens (can also be erased, but not with water). Full details of chalk pens - our recommended accessory range for this product - and how to erase may be found [HERE](#).
- Stick chalk will **not** work on either blackboard surface - you must use chalk pens.
