Description

Showcard stands with A3, A4 and A5 clear plastic frames

Our low price sign stands are suitable for indoor retail price card displays. They are perfect for promoting merchandise stacked on display tables or on the floor in convenience stores. The aluminium stem is adjustable with a lever clamp to secure at the desired height. For stability goods should be stacked on the metal shovel-shape base (not intended as a [freestanding floor sign](https://www.sign-holders.co.uk/pos-frames-with-stands/retail-pos-stands-a4-a3.html)).

Great value with these low cost sign stands!

If you are looking for low cost point of sale holders for your convenience store or supermarket these stands will look good and serve as an effective price ticket holder and silent salesman. The crystal clear frame means your printed POS shows right to the edge of the print. The frames fit A5, A4 or A3 showcards or printed POS and price signs. They can also be used with our chalk card inserts for that 'local provenance' market fresh look.

Unlike our premium sign stands which are suitable for outdoor use these clear plastic frames will **not** fit laminated signs. They are supplied without a backing sheet.

We strongly recommend that POS printed onto paper is inserted into a folded clear plastic reusable **U-pocket**. Anti-glare U-pockets are available to order on this page as a Recommended Accessory

Budget retail POS stands come in different heights

Choice of 3 heights:

- Short showcard stand, height adjustable from 38-60cm + frame (RPS.60) - for table-top use.
- Medium showcard stand, height adjustable from 58-100cm + frame (RPS.100) - for use on display plinths or with dump bins etc.
- Tall POS retail stand, height adjustable from 1m-1.5m + frame (RPS.150) - floor standing, base must be stabilised by stacking merchandise on it.
- Clear plastic frames to suit A5, A4 and A3 printed showcards
- Slot in the short side of the frame for inserting paper
- Dual use landscape (with slot on the side) or portrait (with slot at the top)
- We recommend the lightweight clear plastic U-shape sleeve to protect printed showcards (optional accessory) available in A5, A4 and A3 size

More Information	<p>Self-assembly with no tools required</p> <p>Ideal for grocery and convenience retailers with products merchandised on tables or on the floor. The smaller height can be used either as a small floor stand in shop windows or ideally for table and countertop use.</p> <p>N.B. Don't forget to weight the base with boxed products to ensure the stand is stable.</p> <p>If you need a free-standing floor stand this is not the right product. We offer a wide selection of suitable free-standing sign stands.</p> <ul style="list-style-type: none">• U-pockets are thin plastic (200 microns) folded to make a sleeve into which paper printed POS can be inserted. They do not protect from humidity. These stands are not intended for outdoor use.• They are called anti-glare as the plastic is very slightly textured to prevent distracting reflections from shop windows, strip lights etc. <p>ATTENTION: Not for laminated POS</p> <p>These clear plastic frames will not fit encapsulated paper (i.e. A4 or A3 with an extra border).</p> <p>We have a solution: Free-standing sign stands for laminated paper.</p> <p>Unlike our popular Slim Frames these clear plastic round-cornered frames do not come with a correx backing sheet and the slot is too narrow to fit one. The maximum POS thickness is 1mm card. Two thinner sheets can be inserted back to back.</p>
Delivery and Returns	<ul style="list-style-type: none">• We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.• Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem.• For detailed information about Delivery charges or Returns and refund policies, please click on the links below.
