Description

A4 plastic frame for easy display options

This A4 plastic frame has a slot to insert your menu or notice. The upright stands are supplied with clear plastic feet to display the A4 frame upright in either portrait or landscape orientation to suit your POS message.

Frames with upright feet can be used for a double-sided display. The set includes two poster cover sheets (clear plastic with an anti-glare finish) to insert in front of your print. Choose the frame colour from the drop-down list.

- Economical solution to double-sided A4 tabletop signage.
- Display in portrait or landscape view.
- Frames and feet are very resistant to breakage even when dropped.
- Great value frames for great looking POS display!

More Information	<p>Using laminated paper prints?</p> <p>Slim frames also suit paper notices encapsulated in a laminating pouch. In this case it is not necessary to purchase poster cover sheets which are included in this set. So it is more economical to order the frames and feet separately.</p> <p>Click on these links: A4 Slim Frames. Upright snap-on feet. Or refer to the Related Products section below.</p>
