### Great value table easel blackboard

**Sold singly** - buy 10 or more mini blackboard easels and get a special discount price!

Cute little blackboard with the retro appeal of a miniature school blackboard and easel. The laminated surface of the blackboard accepts liquid chalk and other chalk pens which can be removed without ghosting (providing the correct cleaning method is used). Mini chalk easels can be used with real chalk but the results are not great compared with a vibrant and easy to use chalk pen such as [Zig Illumigraph](#) which we sell alongside the popular Secuit wetwipe pens..

These cute little wooden easel chalkboards are very attractive and our popular for their much sought after rustic look. The small chalkboard easels are suited to many situations and work perfectly as deli food signage as well as coffee shop signage.
