Description

A4 & A5 stacked leaflet dispensers - 3 pocket

Convenient stacked design of brochure holder for displaying three different A4 or A5 catalogues – or for triple capacity display of a single brochure for busy exhibition or trade fair situations. This space saving solution displays your literature in a vertical stack with a small footprint.

- Acrylic brochure display unit to sit on a table or wall mount (2 screw-holes provided).
- A4 or A5 size literature is presented professionally.
- 3 facings in the multi-compartments, portrait display.
- Or stack it with all the same brochure so that stocks of literature are not exhausted.

When wall mounted these 3-tier units protrude from the wall somewhat so ensure you have space.
