Description

Leaflet holders - Taymar premium brand dual-use brochure holder

Dual-use - table-top or wall mounting Taymar brochure holders offer the best of both worlds for displaying your printed leaflets and flyers. All popular leaflet sizes in a clear premium plastic holder.

- A6 leaflet dispenser Landscape or portrait
- Freestanding with clip-in foot accessory (supplied).

- Wall mount by discarding the foot and fixing via screw-slots.
- Mounts flat to wall or dispenser stands upright on a table.
- A6 size is suitable for small postcard size leaflets.

Why do Taymar leaflet dispensers cost a little more than standard ones?

Simply they are made of higher quality material than our standard leaflet holders, Taymar brand has always had the best crystal clear brochure holders but you do have to pay a little more for them. They also are a little more clumsy customer proof being that little bit thicker and tougher in construction.

Taymar leaflet dispenser also has a nifty little feature that you can screw them to the wall as well as being able to stand them on a tabletop so as standard they come with a free foot.
