ASSEMBLE TO SUIT YOUR WALL SPACE

Wall mounted A4 leaflet display system – 8 pockets vertical stacked

Cliplock is a modular wall mounted literature display system. This kit consists of eight A4 size literature pockets. The display can be extended sideways by ordering extra kits – with either more of the same size or different size pockets. The components are made from high grade clear plastic. The clever design makes assembly easy once the top mounting rail has been screwed to the wall.

- Kit 1 comprises a mounting rail and 8 A4 pockets making a literature display two A4 pockets wide and four deep.
- The vertical spacing of the pockets is variable depending on the available space. Brochures can be displayed in a compact way or spaced out.
- The width of a single kit is 46cm (18"). The mounting rails are common to each kit and are designed to interlock for a neat continuous appearance.
- Order two kits to make a wall display of 16 A4 brochure pockets – or 3 kits to display 24 different brochures along approx 4'6" of wall.

More Information	<p>Kit 1 Contents</p> <p>This kit comprises one polycarbonate mounting rail which must be screwed to the wall. Screws and wall plugs must be selected according to the type of wall. Eight A4 pockets are supplied together with connecting clips to complete the installation. The lower pockets hang slightly away from the wall, supported against the wall by a clip-in spacer. The brochure pockets are moulded with a series of location points built into the design so that the vertical spacing of the pockets can be decided at the time of installation - and re-configured later if required.</p> <p>Further Options</p> <p>For fixing directly to slat-wall an alternative mounting system is available for use in place of the screw-on mounting rail. Please ask for details.</p> <p>If you are looking for a complete wall of brochures - i.e. a tall display not restricted to 4 pockets deep - we have other ClipLock kits which achieve this. Please call or email for more details - ideally stating the overall wall space you wish to fill and/or the total number of brochures of each size you aim to display.</p>
Delivery and Returns	<ul style="list-style-type: none">• We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.• Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked.
