ASSEMBLE TO SUIT YOUR WALL SPACE

Description

Cliplock is a modular wall mounted brochure display system. This kit consists of 12 A5 size brochure pockets. The A5 literature display can be extended sideways by ordering extra kits - with either more of the same size or different size pockets. The components are made from high quality clear plastic. The smart design makes assembly easy once the top mounting rail has been screwed to the wall.

- Cliplock Kit 2 comprises a mounting rail and 12 A5 pockets making a brochure display three A5 pockets wide by four deep.
- The vertical spacing of the pockets can be adjusted depending on the available space. Brochures can be displayed in a condensed format or spaced apart to show more of the brochure face. (Overall height adjustable between 350mm/14" and 500mm/20").
- The width of a single kit is 46cm (18"). The mounting rails are common to each kit and are designed to interlock for a neat continuous appearance.
- Order two kits to make a wall display of 24 A5 brochure pockets - or extend to any length you like.

Additional Information

More Information	<p>Kit 2 Contents</p> <p>This kit comprises one polycarbonate mounting rail which must be screwed to the wall. Screws and wall plugs must be selected according to the type of wall. Twelve A5 pockets are supplied together with connecting clips to complete the installation.</p> <p>The lower pockets hang slightly away from the wall, supported against the wall by a clip-in spacer. The brochure pockets are moulded with a series of location points built into the design so that the vertical spacing of the pockets can be decided at the time of installation - and re-configured later if required.</p> <p>Further Options</p> <p>For fixing directly to slat-wall an alternative mounting system is available for use in place of the screw-on mounting rail. Please ask for details.</p> <p>If you are looking for a complete wall of brochures - i.e. a tall display not restricted to 4 pockets deep - we have other ClipLock kits which achieve this. Please call or email for more details - ideally stating the overall wall space you wish to fill and/or the total number of brochures of each size you aim to display.</p>
Delivery and Returns	<ul style="list-style-type: none">• We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.• Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked.
