

KARAOKE LED SIGN

Short Description

- Set comprising the LED light-up letters to spell out KARAOKE
- Supplied with or without fasher module

Description

Light up letters with mains power supply adaptor

Bright eye-catching illuminated sign for promoting Karaoke.

This LED Karaoke Sign comprises illuminated LED letters which snap together to spell out the word Karaoke. The striking effect after dark is similar to a neon sign but with the low running costs and long life associated with LED signs.

The individual letters are supplied as a clip-together kit complete with a power supply unit fitted with a standard UK plug. The Karaoke LED Sign is intended for indoor use.

A [hanging kit](#) (LED Kit B) is included.

The static version lights up continuously when switched on. The flashing Karaoke sign includes a flasher unit offering five selectable flashing programmes.

Overall length of the sign: 70cm or 90cm with flasher

Additional Information

More Information

To appreciate how easy it is to fit our LED signs [Watch the video now!](#) (video opens in a new window).

You can **personalise** this illuminated sign by ordering extra individual letters from our [LED Alphabet](#) range.
A maximum of 18 letters or numbers can be connected to a single power supply unit.

If your message comprises more than 9 characters you will automatically receive a second suspension kit B.
If you require a different [hanging kit](#) (e.g. window suckers) please add it to your order.
