Description

Folded A3 PVC poster pocket

A3 size PVC U-pockets are made from clear PVC to protect your A3 printed POS from dust and finger marks.

- PVC poster pockets help support your paper insert within an A3 slot-in frame to prevent it from sagging or crinkling.
- The clear plastic poster pocket has an anti-glare finish. So unlike glossy plastic sleeves there are no distracting reflections from windows or store lighting.
- A U-pocket do not protect paper inserts from rain or humidity. For that you need to laminate your A3 POS for use outdoors and then use a Slim Frame which is over-sized to accept laminated A3 paper.

Additional Information

More Information	<ul style="list-style-type: none">• U-pockets are made from thin PVC sheet, usually 200 to 400 micron thick.• These folded plastic poster pockets should only be used in conjunction with a top-loading poster frame.• A3 U-pockets are not suitable for outdoor use as they do not protect the paper from humidity.• U-pockets should be regarded as a consumable item as in time they will deteriorate in direct sunlight.
Delivery and Returns	<ul style="list-style-type: none">• We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.• Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked.
