Description

10x15cm Price ticket showcard holders

Small A6 showcard frames are available in black and green. These neat frames can be used indoors or outside provided that the printed inserts are waterproof.

A6 size is 10.5 cm by 14.8 cm (4.1/8 inch x 5.7/8 inch). These frames can be installed portrait (upright) or landscape. The frames will not accommodate oversize inserts which have been encapsulated due to the extra border created.

Versatile fixings available

- A6 size frames are compatible with all the fittings we supply for larger size plastic frames, enabling these small POS holders can be fixed in various ways.

For example, in a fruit and veg shop or garden centre, our clear plastic Grip Strip channel can be screwed onto wooden shelf front – the A6 frames are then simply pushed into place. This allows the ticket holders to be positioned and moved as required.

Made from durable ABS plastic, these little price holders are incredibly strong and will not shatter if dropped. Unlike our larger Slim Frames, the A6 size does not require a correx backing sheet as the inserts are small and generally do not need additional stiffening.

- Side slot for easy ticket insertion
- Works with different fixings
