Product Images

Description

A6 small POS sign stands

The smallest of the Green Magic plant area stands with black or green frames for an A6 printed price or information ticket.

Using the popular non-rust stem and black metal base found on the larger A5, A4 & A3 slim frame versions of the Garden Centre POS stands this small yet neat A6 frame is perfect for merchandising displays where a smaller

show card is required.

- A6 size paper inserts up to 2.5mm thick
- No backing sheet required
- Adjustable height leg 300mm up to 600mm
- Flat black powder-coated metal base with a tube holder
- Non-rust assembly for use with plant displays

Created in collaboration with our friends at Joy of Plants for use with their excellent bed cards and point-of-sale. For more details of Joy of plants bed card printing solutions for garden centres [click here](#)

POS sign stands for Garden Centres

Green Magic sign stands have long been the industry standard in Garden Centre retail display solutions to view the full range of plant information and price stands [click here](#).
