

Black A2 A Board sandwich board pavement sign

Short Description

- These small pavement signs are ideal for travelling or when space is an issue
- Just like the bigger version, the black A2 A-board has snap-action frames on either side
- Each A2 A-board is sturdy and robust for outdoor use
- Our frames are designed with colour-coordinated round frames for safety

Description

Small pavement sign in smart and contemporary black finish

These A2 small pavement signs are the perfect choice for travelling with – ideal for exhibitors, outdoor market traders and on-the-go advertisers. The compact size makes folding-up, storing, and moving quick and easy. And just because these are a smaller size, we haven't compromised on quality – using galvanised steel means our small pavement signs are rust-free and stable.

- Our small pavement signs in size A2 are an excellent alternative to the larger size
- the compact design is perfect where space is at a premium and storage might be in a van or car boot
- Our black A2 a-board has the added safety feature of rounded corners to protect the little folk from bumping into sharp corners

Small sandwich board with BIG features

Often described as a small sandwich board, this double-sided pavement sign uses the snap frame poster clamping mechanism to keep your posters and advertisements safe.

- Safety rounded corners fitted as standard.
- Outdoor grade black coating with a rust-free mechanism.
- The poster covers are included.
- Double-sided – snap frames with metal back panels
- Frame has concealed drainage slots to help keep posters dry
- For outdoor use we recommend posters are printed on water resistant paper – see More information.

This A2 Aboard has a slightly heavier back panel to give extra stability when used outdoors weighing about 6 kg. It's still light enough to carry and place where you want people to see your advertisements.

More Information	<p>More Info about small pavement sign AB.A2-B Small black A Board pavement sign Fits two A2 posters Outdoor grade sandwich board</p> <p>Can I use this black A-Board outdoors? Yes this small A board can be used on a pavement outdoors. It has a metal back panel to provide extra stability in moderate wind. There are drainage holes in the lower section of the snap frames to allow any water to drain away from the poster frames. However, we recommend that you print your posters on waterproof printing media and use the poster covers provided to keep your prints looking good. Regular paper posters might get damp under driving rain conditions and need replacing.</p> <p>Where can I buy waterproof posters? Most printers offer the option of wet-strength or water resistant posters which are perfect for longer term outdoor use. If you have access to or have your own large format printer we sell rolls of specially coated waterproof papers so you can print your own waterproof posters.</p> <ul style="list-style-type: none">• A2 waterproof poster paper on a 30m roll• A1 waterproof poster paper on a 30m roll
