Description

Chalkboard pavement sign with slot-in blackboard panels

This outdoor chalkboard pavement sign has reversible blackboard coated, metal composite panels that slot into a wooden A-Frame – ideal for easily switching between signs when you have consecutive events. This A Board is excellent value being half the price of similar premium slot-in wooden A-Boards. Made from sustainably sourced wood and metal composite panels, this chalkboard pavement sign is durable and perfect for outdoor use, such as for cafes, restaurants or markets.

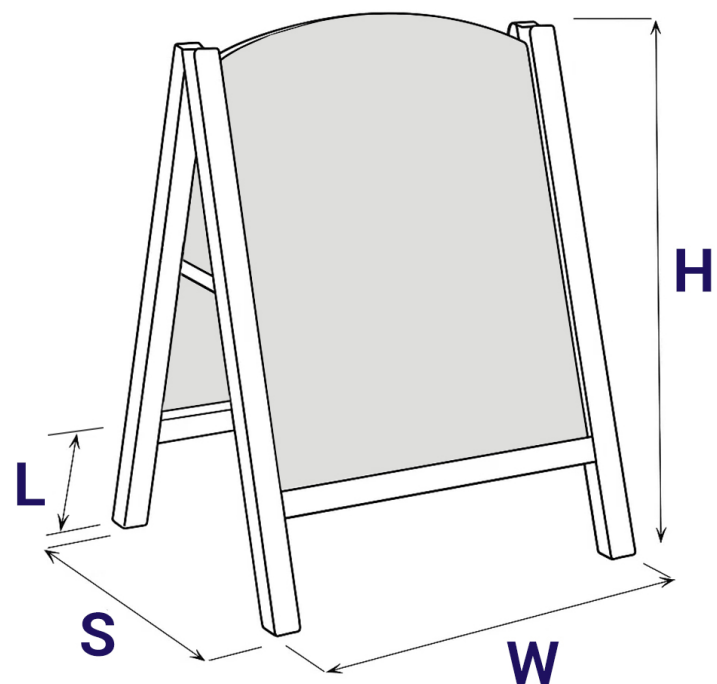

- Wooden A-Frame construction.
- Slide-in metal panels with blackboard coating.
- Use with either liquid chalk pens or traditional chalk sticks.
- 4 panels and a simple to use slot-in feature allows you to have multiple signs prepared for use.
- Treated timber for longer-lasting outdoor use.

Due to being a natural wood product the colour and grain pattern can vary slightly from the pictures.

More Information

Outdoor wooden chalkboard with reversible magnetic panels
This durable outdoor wooden chalkboard features two high-quality metal panels that are both reversible and magnetic, offering excellent versatility for your signage needs. Supplied with eight magnets, it allows you to securely attach additional signs or promotional material, giving you extra flexibility to update or personalise your messaging with ease.
