Description

Double-sided poster stand with brochure holders

This substantial poster stand is excellent for heavy footfall areas where customers pass by from different directions! The double-sided framed A1 poster holder is perfect for advertising and information messages, whilst the four A4 brochure boxes will contain and dispense your pamphlets, leaflets, and take-away information. At just under 6ft tall and weighing approximately 18kgs, this stand is a great choice for college and university concourses, airport retail centres and travel hubs - in fact, this stand is excellent for wherever you need to make

20/04/2024

your messages stand out and want to provide additional information for clients and customers to take with them.

What's supplied in the boxes?

- Modular 4 channel pole and heavy steel base
- 2 x A1 easy change poster snap frames with mounting clips
- 4 x A4 brochure boxes
- Bolts and Allen keys

You will need your own cross-head screwdriver to tighten the frames onto the pole. Assembly should only take you between 4-8 minutes and you don't need to be a DIY expert either!

Shelves and leaflet dispensers for poster stands

This poster stand can be customised with optional accessories see the more details tab

- A5 brochure holders - side fixing.
- DL (1/3rdA4) flyer holders - side fixing.
- Double DL (2 x 1/3rdA4) brochure holders -side fixing.
- Premium frosted acrylic side shelf.

Poster stand A1 double sided with 4 A4 Brochure holders | Exhibition floor standing sign stands | Free standard delivery

This stand can be customised with different size leaflet holders and brochure boxes, the product already ships with 4 x A4 brochure boxes that can be converted to different sizes, you need to retain the aluminium side arms and swap the fixings over to the new size brochure boxes. Click on the blue links below for a nice economical cheat.

- [A5 Leaflet holders](#)
- [DL or 1/3rdA4 leaflet holders](#) - single pocket
- [Double DL or 2 x 1/3rd A4 leaflet holders](#)
- Super posh [Acrylic side shelves \(A4\)](#)
- Replacement [A4 brochure boxes](#) pick the LDW.A4 portrait version as the Landscape will not fit.

You can also buy spare brochure boxes with their own aluminium side arm naturally they cost a little more than just swapping the boxes over. click the link to our spare parts area below.

- [Spare brochure boxes](#) with locking sidearms for the 4 channel InfoColumn poster stands.

What's it made of and is it recyclable

The main column pole and snap poster frames are made of anodised aluminium as are the locking side arms that hold the brochure boxes all of which are recyclable at end of life, when looked after these high-quality stands will give you many years of service. The base is a thick steel plate that is painted with a hard wearing silver coating. The brochure boxes are made from clear Styrene (a type of plastic) and can be recycled but you need to check with your waste provider.

Everything is adjustable!

All of the components on your 4 channel InfoCoulumn are height adjustable, choose what height suits you best and tighten the screws to lock the poster frames and brochure boxes in place.

- Overall height is approx. 6ft
- Overall weight is approx. 18kgs

Need a little help assembling your poster stand ?

Assembly is easy and should take just a few minutes - full instructions are included in the packaging. If however, you get a little stuck just call us and we will be happy to talk you through.
