Description

Spare parts for fixed height tabletop POS stands

Another popular series of sign stands unique to Green Magic the fixed height aluminium stem POS stands are simple and robust. If one meets with an accident you can now replace the component part instead of buying a whole new stand.

These stands have 3 main components:

1. Black metal sign base with tube holder suitable for indoors/outdoors
2. The fixed height aluminium stem fitted with a black Tee piece frame connector and the clear base adaptor
3. The laminated size poster frame either A5, A4 or A3 always supplied with a backing sheet

The full product can be found [here](#) and replacement slim frames with backing sheets [here](#)

These component parts are suitable for the following products:

- SL.A5.ALU50-B - A5 frame, metal base +500mm stem or +800mm stem SL.A5.ALU80-B
- SL.A4.ALU50-B - A4 frame, metal base +500mm stem or +800mm stem SL.A4.ALU80-B
- SL.A3.ALU50-B - A3 frame, metal base +500mm stem or +800mm stem SL.A3.ALU80-B
