Description

Spare parts for Meso freestanding sign holders

The Green Magic Meso small upright sign holders are robust small sign stands, they can occasionally have a little accident with forklift trucks or even cars as they are often used as car parking signs, don't worry as a complete set of spare parts are available.

The unit consists of these main parts:

- The recycled rubber base or the smarter Covered base.
- The 500mm Black aluminium pole with end fittings.
- The Tee Piece frame connector.
- The Laminated size ABS plastic poster frames.

The full product can be found [here](#) and the replacement plastic frames [here](#).

These spare parts are suitable for the following product codes:

- MESO.A4.B-B
- MESO.A4.C-B
- MESO.A3.B-B
- MESO.A3.C-B
