Tabletop cardholder clip - Stainless Steel

Stainless steel cardholder clips for use on deli counters and restaurant tables. A smart-looking brushed stainless steel menu holder clip. The menu base clip is springy to suit various thicknesses of the menu, special cards, cocktail menus, etc.

The narrower-width metal table clip is 5cm (2") wide. It is ideal for narrower upright menu cards.

The wider cardholder clip is 10 cm (4") wide and suits wider menus, requiring the extra width menu base to hold the contents upright and stable.
