Hand sanitiser bottle holder stand

Short Description

- Hand sanitiser bottle holder stand with or without A3 poster frame
- Hand sanitiser holder allows your own pump action bottle to be secured on a floor stand
- Taller model (155 cm high) includes an eye-catching poster frame for your own hand sanitiser sign
- Budget stand is 130 cm high with bottle holder bracket. Neither model includes a bottle.

Product Images

Description

Floor stand for pump dispensers

Hand sanitiser bottle holder stands looks professional and fit most sizes of hand sanitiser bottles including 350 ml, 500 ml and 1 litre pump action bottles. Available in two versions: a taller stand which includes a frame for an eye catching sign or a budget floor stand without a frame.

The taller freestanding sanitiser stand draws attention thanks to the A3 poster frame for your own sign. The snap frame can be fitted portrait or landscape and the bottle holder bracket can be mounted at a convenient height for your target audience - in other words set lower for use by children.

Adjustable height bottle holder stand

This attractive floor stand for pump dispensers accepts a range of bottle sizes (bottle is not included but a refillable empty bottle is available as an accessory). The hand sanitiser holder has tight fitting hook and loop (Velcro) straps which wrap around the bottle to hold it fast.

- Versatile and easy to assemble, these hand sanitiser holder stands offers excellent value for money
- HS.BTL.1.5 includes poster frame for a hand sanitiser sign. The frame is A3 size – when fitted landscape it will also fit two A4 notices or printouts side by side - for example a header message on one side with a second A4 sheet reminding about correct hand sanitising method.
- The aluminium pole is 155 cm tall and the 35 x 35 cm square metal base weighs 4 kg, which makes the unit stable when positioned in a busy lobby or public space. The unit is not intended for use outdoors.
- HS.BHS.1.3 is 130 cm high. As with the taller model the bottle shelf can be adjusted to suit adults, children or wheelchair users

Source your own hand sanitiser - or we can supply

- The stand does not come with a bottle of hand sanitiser gel. Customers can supply their own.
- Alternatively we can supply empty 1 litre capacity pump action dispensers with 5 litre bulk bottles of 70%

alcohol hand sanitiser gel (see Recommended Accessories).

Additional Information

More Information	**Ordering in bulk?** Order 24 x HS.BTL.1.5 Hand sanitiser dispenser stands to benefit from bulk buy pricing Bulk pricing applies: as per the quantity based unit prices in the price grid. Order a full pallet (96 stands) for additional discounts, as indicated above. Delivery time for bulk-buy or full pallet quantities will typically be 4 weeks.
Assembly and Installation	Each unit is supplied with easy to follow assembly instructions. Note that the pole is supplied in two sections. The instructions show how to securely join the two halves of the pole together. **Assembly instructions may be downloaded here.** The bottle bracket and A3 frame can be set at a height which is suitable to you - e.g. set lower to suit children.
Delivery and Returns	Free of Charge UK mainland delivery for 2 or more stands (applies to UK Zone 1) • We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery. • Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem. • For detailed information about Delivery charges or Returns and refund policies, please click on the links below.
