Poster hanger suspension kit for grid ceiling

Description

Grid ceiling suspension system for poster displays

This commercial-grade grid ceiling suspension system for poster displays is suitable for retail, office, and exhibition environments. Suspend POS and posters from your ceiling grid easily and securely!

Engineered to suspend a poster rail system from a grid ceiling, most hanging posters weigh between 1-2kg and the grid has a max capacity of up to 4 kg this equipment has a safe working vertical load of 15kg so more than your ceiling can take.

Each grid ceiling suspension kit contains:

- 2 x Commercial quality grid ceiling twist on anchors
- 2 x 1.5mm dia wire ropes 100cm long with end terminations

Use this poster suspension kit with our Poster Clamp and Poster Fast, hanging banner and poster rail systems for fast easy displays from a ceiling grid.
