Description

Dog drinking station

Our dog drinking stations comprise a metal stand painted an attractive shade of blue with a stainless steel dog drinking bowl recessed into the sturdy base. Every pet hydration stand comes with an eye-catching dog drinking station header sign. All single-bowl dog drinking stations are suitable for outdoor or indoor use. The design includes two anchor points e.g. to attach dog leads.

Choose from our Simple or Deluxe models.

- **Simple model:**

The stand come with a rectangular colour-matched header printed with the fun message 'Slurp Drinking

Station' designed to appeal to dog owners. The rectangular sign panel is made from foam PVC. The default header can be switched to your own choice of message at no extra charge, for a minimum quantity of 50 stands.

- **Deluxe model:**

The stand includes an outdoor poster frame (either A4 or A3 size) and a curved header, both colour matched to the stand. The shaped header carries the message 'Dog Friendly' to indicate your premises welcomes dogs.

The curved panel is shaped from aluminium composite material.

For a production run of 50 stands we can switch the top panel to your own choice of message at no extra charge. Please contact us regarding branding opportunities.

The colour of the stand is Royal Blue RAL 5002. For a production run of 100 stands we can change the colour. Deluxe model has a colour co-ordinated waterproof snap frame (with weatherseal gasket and poster cover sheet). The A4 frame is fixed in landscape orientation. The A3 frame is fixed portrait and it covers the two dog lead anchor points.

Options

A security kit is available as an optional extra to help prevent the dog bowl or the stand being stolen.

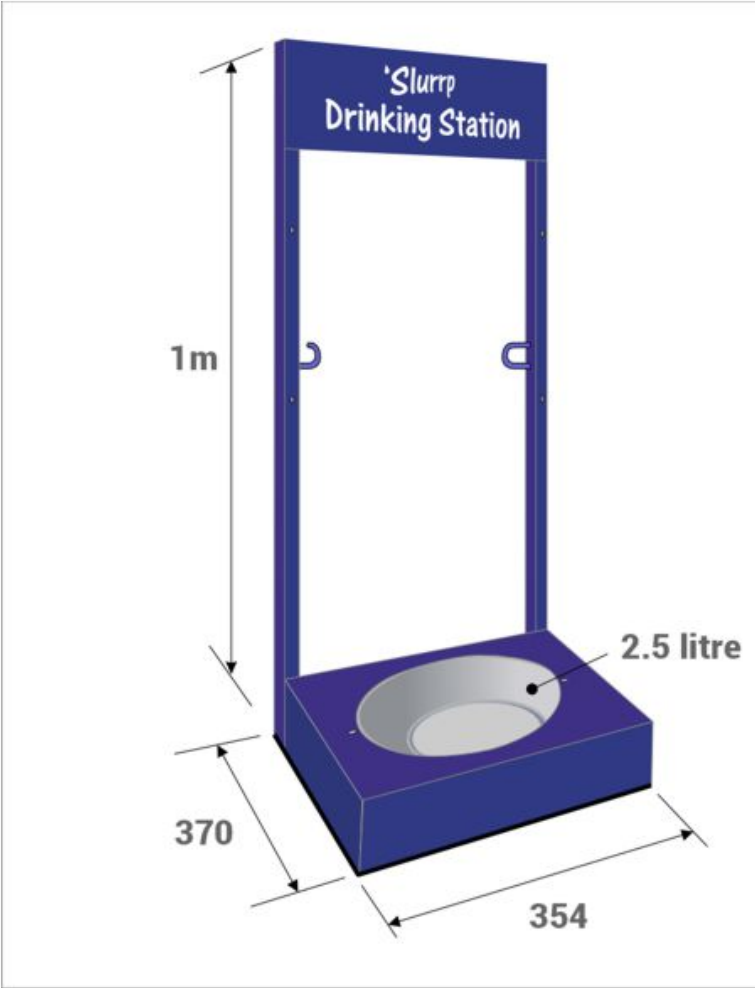

A larger twin-bowl stand is available. Please click on the relevant link below.

Additional Information

More Information

- The stand is 1m high, made from steel which is zinc plated and powder coated for durability.
 - The base is fitted with a rubber surround for protection.
 - The 2.5 litre capacity water bowl is removable for filling and cleaning.
 - Assembly is required.
- The reverse of the header panel is blank and you can ask a local sign company to print it to your requirements, if you don't like our default sign.
