Description

Economy A-Board sign for indoors

Our value A-frame Sign offers a cost-effective solution for your indoor signage needs. Notably, our economy A-board sign features a steel back panel, setting it apart from most similar budget offerings. Now only available in A2 size with classic silver finish to display your posters 42cm wide x 60cm tall. (Please note that A1 size and black versions are no longer stocked in our economy range - see links below for heavy duty A-boards in A1 and A2 sizes.)

Good quality at a budget price

The steel back panels significantly enhance durability compared with lightweight plastic frame backs. This helps ensure your message remains securely displayed in busy indoor environments like shopping malls, retail stores, offices, or schools. With our budget A Board sign, you get affordability without compromising on quality, making it an excellent choice for businesses seeking a cost-effective and trustworthy indoor sign solution.

- Easy change snap poster frames are perfect for either a permanent sign or changeable printed signs, posters and any message of your choice.
- Lightweight A-board - easy to carry to your event or location. The A board folds flat for compact storage and has a locking hinge for when in use.
- The double-sided A-frames comes with a snap open poster frame on each side, each supplied with a clear plastic poster cover sheet to protect your poster from coffee spills or scuffs.
- A2 A-frame is compact and takes up less room when space is tight.
- Posters are not included - they can be sourced from many online print providers or high street print shops.

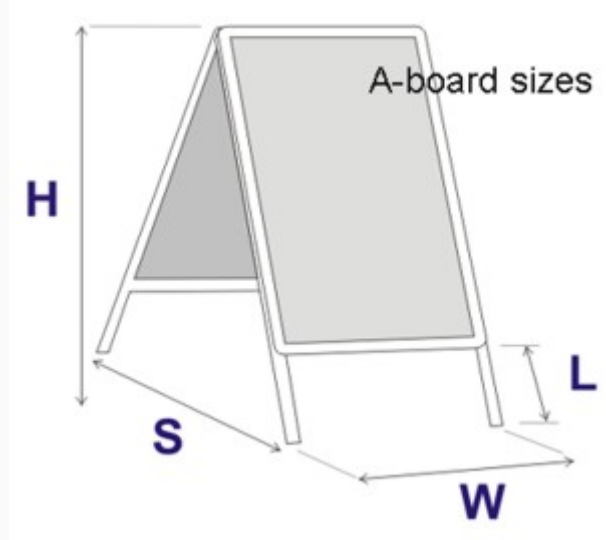

Looking for outdoor options?

We have similar-looking A-boards which are more suitable for outdoor use as they are heavier and sufficiently robust to withstand outdoor wind and weather. Please see the options below.

More Information

- Lightweight budget A-boards like these are sold by some online retailers as outdoor pavement signs.
- We have superior products for outdoor use and we prefer to describe these economy signs as indoor A-frames, since we want our customers to be fully satisfied with their purchase.
- If they are used outdoors we cannot take responsibility if they blow over or suffer from premature wear and tear.

Snap frame A-boards sizes
