poster protector included

Description

The ultimate lobby information stand

Our lobby information stand offers the perfect solution for displaying posters, advertising materials, and brochures in bustling environments. Equipped with two double-sided poster frames, this double poster display stand ensures your message is visible from all angles. The integrated leaflet holders conveniently keep promotional materials or information sheets accessible to customers and passers-by. The stable water-fill base provides weight for additional stability in heavy footfall areas.

Key features:

- **Double-sided large A2 poster frames:** for maximum visibility in large spaces.
- **Integrated leaflet holders:** keep your A5-sized flyers and brochures neatly displayed and easily accessible.
- **Customisable leaflet holders:** replace the A5 leaflet holders with a [twin-pocket DL-sized leaflet dispenser](#) on each side.
- **Durable and stable base:** fill the base with water for an additional 10kg of weight for extra stability.
- **Easy assembly:** quick and simple assembly for a hassle-free setup.

Combined leaflet holder and poster stand

This multifunctional display is the ultimate combined leaflet and poster stand, offering an all-in-one solution for your promotional and information needs. Featuring a poster display with leaflet holders and double-sided poster frames, it is the top choice stand for presenting detailed messages and printed material in large, busy spaces.

Perfect for environments where posters and takeaway materials are needed, this stand ensures your content is displayed to its best effect. The integrated leaflet holders allow for the organised distribution of flyers and brochures, while the double-sided poster design maximises exposure and engagement. Whether promoting events, advertising offers, or sharing essential information, this stand delivers a polished and professional presentation that stands out in any setting.

Please note that the lobby information stand is large and is packed in an oversized box. Shipping is via a 48-hour

courier service.

Additional Information

More Information	<ul style="list-style-type: none">• Base can be filled with water to add an addition 10kg to the weight of the base.• The stand can be customised by replacing the A5 leaflet holders with 2x Two pocket 1/3A4 on each side
Assembly and Installation	<p>Easy assembly!</p> <p>Simply attach the base to the bottom of the upright poles with the supplied nuts. Then find the plates within the centre bar between the two frames. Now using the supplied screws, screw the leaflet holders to the centre bar. The plates with the bar can be slid up or down, it is advised to roughly position these plates before attaching any of the leaflet holders.</p>
