## Description

---

### Plastic Sign Frame with adhesive pad wall fixings

Plastic Sign Frame with adhesive pad wall fixings and poster protector sheet. Useful for displaying notices especially if they need to be changed periodically. The paper simply slides into the frame behind the clear plastic cover.

- A5 plastic frames can be used to display A5 paper or laminated A5 prints – the frame is fractionally oversized to accept the 3mm border all around you get when laminating A5 paper.
- A4 plastic sign frames with strong adhesive pads for use with either A4 paper or Laminated A4 paper
- Long lasting and can be cleaned with most domestic and industrial cleaning agents

- Adhesive pads are suitable for smooth clean surfaces such as plastered walls, tiles or laminates.
- A finger-lift D-tab is supplied for attaching to the top of the poster protector (cover sheet) if required. This enables the cover-sheet to be slid out sufficient for initialling when servicing or checks have taken place
- Choose the colour frame required
- Please note these frames are custom assembled to order. Larger orders may take a few days to ship.

More Information

Adhesion to surfaces

If you are not sure whether adhesive pads will stick to your particular wall or surface please test initially by ordering a single frame. The adhesive pads we use are high grade and on most surfaces they stick very securely. However some surfaces (for example loo doors with anti graffiti coatings applied) are designed such that marks etc. can be removed easily and that might also apply to frames stuck onto the surface.

## Product Dimensions

### Suits plain paper or laminated prints

- As the frames are supplied with clear poster protectors they are suitable for plain paper prints.
- They also accept laminated posters that would not fit into standard frames. This frame eliminates the need for tricky “cutting to size” of the laminated inserts.
- Short side poster entry, frames can be installed landscape if required, in which case the poster is inserted from the side.

Product Code	Poster Size	Copy Size	External Size
SL.A5/AD/PP	A5	131x193mm	159x218mm
SL.A4/AD/PP	A4	194x283mm	220x309mm
SL.A3/AD/PP	A3	282x404mm	309x430mm

↓ = frame entry/laminated print insertion.

## Delivery and Returns

- We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.
- Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem.
