### Maxi poster frames 24x36"

Maxi poster size is 24"x36" which is 61x91.5 cm or 610x915 mm. The approximate cm size is 61x91. It is a popular poster size for movie posters and many other printed posters. Please measure your poster to make sure you are ordering the correct frame as we also sell frames sized to suit 27x40" and 30x40". It doesn't matter whether the poster is printed portrait of landscape as our maxi frames can be fitted to suit either.

#### Advantages of a snap change Maxi poster frame

The Maxi poster frame is our best price and quality snap open and close frame – perfect for holding popular printed posters. You don't need to take down the frame to change the poster – simply clip open the frame surround and pop in the new maxi poster. Great for film nights with your friends!

If you have bought a poster from one of the popular poster printing websites and want an easy to use poster frame for a teenagers' bedroom or your trendy apartment, these quality frames look stylish. As they are made of metal they will not break, unlike some flimsy wooden ones .
