Description

Lockable snap frames for A1 to A4 posters

Great value locking snap frames – our lockable snap frames secured from unwanted attention by a hexagonal key lock are now **ON SALE !**

- These lockable snap frames intended for the security conscious are useful for locations prone to tampering. With an A1 lockable snap frame, your poster is secure from interference or casual theft but

easily accessible to you.

- They lock by means of an Allen screw in one side of the poster frame. The other three sides are interlocked in such a way that they cannot be opened until the first side has been opened.
- One Allen key (hexagonal wrench) is supplied per frame, together with hidden wall fixings PLUS a clear plastic face to protect your advertisement or printed notice.

Other types of A4 secure snap frames

More Information

- This model is not supplied with an actual key – refer to our [lockable poster cases](#) if that is what you are after.
- The hexagonal key supplied is used to undo a securing screw with a recessed hexagonal socket in the countersunk head.
- While any hex key of the correct size will do it may be assumed that the passing thief or vandal is unlikely to be carrying one – so the poster is likely to be safe.

The other type of vandal resistant snap frame is called a [secure snap frame](#). We also supply lockable poster cases with hinged lockable doors.

Sizes available:

- A1 Lockable snap frame
- A2 Lockable snap frame
- A3 Lockable snap frame
- A4 Lockable snap frame

Product Dimensions

Size Information for aluminium snap frames

- The width of the surround is 3.2cm = 32mm
- Front to back depth of 32mm profile snap frame: 19mm
- A4 relates to the size of paper an A4 frame will fit.
- A narrow strip around the edge of your print is hidden when the frame is closed.

Visible poster size: 20mm less than actual poster (i.e. 10mm all round your poster is hidden by the frame surround)

- The overall size of the frame is larger than the paper inserted.

Overall (external) frame sizes are shown in the table:

Table of Lockable snap frame sizes – relates to 32mm wide profile frames

Order Code	Poster size	External size	Visible area
AS.A4/32K	210X297	253X340	190X277
AS.A3/32K	297X420	340X463	277X400
AS.A2/32K	420X594	463X637	400X574
AS.A1/32K	594X841	637X884	574X821

Assembly and Installation

Fix snap frames using screws

- The best way to permanently fix snap frame is with screws.
- Screws and plastic wall plugs are included with every snap frame we supply
- The wall plugs are for use with masonry walls such as brick and most plastered walls
- When screwing onto wood the plugs are not needed
- A power drill and screwdriver are required for screw fixing (and we recommend using a spirit level and tape measure to ensure the frames are properly aligned). If in doubt please consult a proficient DIY or trades person.

Delivery and Returns

- We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout. When feasible, you will be offered options for Free, Economy or Next Day delivery.
- Any product returned by the purchaser must be unused and in its original packaging, which should be unmarked. If goods are received damaged or faulty we will take care of the problem.
