Description

Smart door signs for small printable inserts

Our range of clear acrylic wall signs are a great way to make your offices, galleries and museums look modern and upmarket. These smart looking door signs with stand-off fixings come with semi-transparent inserts ready for you to print using any laser or inkjet office printer.

The insert size is approximately 10x15cm. The exact size is 10.5 cm x 14.8 cm which corresponds to A6 size (a quarter of a sheet of A4 paper). So these are quite small door signs which look good without interfering with a minimalistic office or gallery decor.

High quality small sign holders for wall mounting

These small sign holders for mounting on the wall are not just for office door signs. A6 Crystal signs look great on exhibition stands, in museums and many other spaces. With their stylish stand-off fixings and clear acrylic display area, your printed information will 'float' off the wall or door. These frames are stylish, durable and easy to install and will add an instant uplift to your interior signage.
