- Cake counter price ticket holder or deli counter price displays
- Food counter information display or ticket holder with stand

Product Images

Description

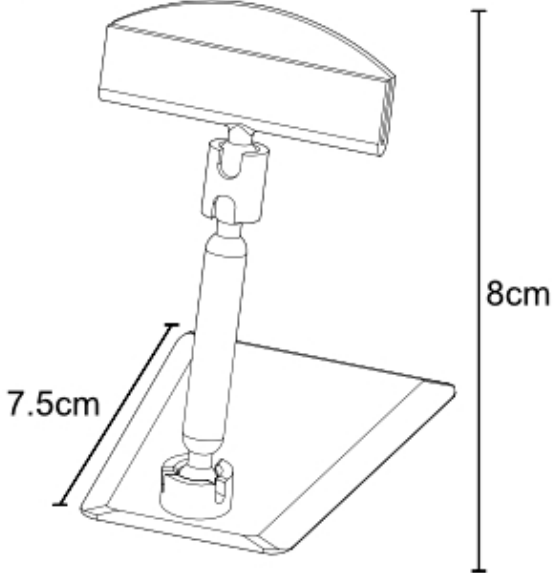

Food counter price label holder

Great value food ticket holder comprising a clear plastic push-in label holder on a short stem with a plastic foot. This small label display stand is perfect for food counters – for example for cheese counters, cold meats, cakes, olives etc.

- 2" wide price label holder accepts small cards displaying prices and descriptions.
- Adjustable angle leg and head means the price label is displayed at the optimum reading angle on countertop.
- Neat transparent plastic foot is 7.5cm long and the overall height of the price stand is 8cm – ideal for many displaying prices on the food counter or in refrigerated display cabinets.
- Fits printed, laminated or hand written labels – ideally about 0.6mm thick (typical credit card thickness). Also works with our write-on [chalk cards](#).
- Plastic price display holder is made from hygienic clear polycarbonate – not suitable for high temperatures.

Additional Information

More Information	The ideal card should be up to about 4" (10cm) wide - for example A7 size or a little larger. Can be washed in warm water. We do not recommend high temperature dishwasher programmes and these plastic display holders are not intended for use on hot plates.
