Description

A4 Show card price and POS holder with clamp attachment

The versatile trigger clamp permits rapid attachment of this showcard frame onto clothes rails, crates, shop fixtures, office partitions etc. The trigger action and spring loaded clamp grip securely, holding the A4 POS holder at the correct angle.

- Strong transparent A4 frame, held in a clear T-piece, has a showcard insertion slot at the top (or side when used landscape). Can be used double-sided.
- Jaws of the clamp are lined with non slip plastic to prevent unwanted slippage. The jaws will not mark the rail or box etc. onto which it is fitted.
- When using paper inserts we recommend ordering the optional clear plastic U-pocket.
