- Wind-resistant outdoor POS stands that screw to retail benches.
- 50 cm sign stand with uprated 160mm tee piece frame connectors

Wind-resistant
screw down stand

Description

Heavy duty outdoor POS sign & ticket stands.

Screw down stands are increasingly popular in garden centres to display A4 and A3 POS (point-of-sale) materials.

The base of the stand is screwed to the bench top to ensure the display holder is not blown over, even in windy, exposed locations.

- The leg is made from sturdy steel with a protective and durable paint coating to ward off rust outdoors, usually for many years.
- Leg height is 500mm plus frame and T-piece making the overall height of the tall A4 screw-down stand 850mm.

The tall stand is adequately high for most bench-top plant displays, presenting POS at eye level.

- The POS holders are durable plastic Slim Frames equipped with a correx backing sheet to stiffen up laminated paper inserts or flimsier printed signs. The frames can be used double-sided and can be rotated from portrait to landscape. Three frame colours are available: Black, mid Green or Dark Green.
- The T-piece which attaches the frame to the pole is a heavy-duty version. Like the frame it is made from weather-resistant ABS, a tough engineering plastic.

More Information	<p>More details of screw-fixed POS stands</p> <p>These elevated POS holders allow an A4 or A3 printed sign to be displayed without it blowing away. Typically these POS stands are fixed in the centre of plant tables or benches, but they can also be used in other situations. The base plate has 4 screw holes for secure fixing to wooden bench tops or tables. The uniform height of the signs creates a sense of order and professionalism. Frames can be removed, renewed or exchanged for a different size.</p> <p>Spare Parts</p> <p>Frames and T-pieces rarely brake but can be replaced if breakage does occur. Replacement frames can be ordered online - see A4 and A3 Slim Frames. Replacement T-pieces can be ordered from us. Please call. The part required is called a 160mm T-stud (and state the colour required).</p>
Delivery and Returns	<ul style="list-style-type: none">• We offer a choice of delivery options tailored to the goods selected and your location, calculated for you automatically in the Checkout.
